**Chalice Lighting** by Eric A Heller-Wagner

Blessed is the fire that burns deep in the soul. It is the flame of the human spirit touched into being by the mystery of life. It is the fire of reason; the fire of compassion; the fire of community; the fire of justice; the fire of faith. It is the fire of love burning deep in the human heart; the divine glow in every life.

With those you know  
With those you love  
and most especially, with those you have yet to meet.
