Singing Centering #1023 *Building Bridges*

Welcome and Announcements

Chalice Lighting by Gregory David Miller

This fire is a reminder of the light within us all;
the yearning for freedom,
the longing for truth,
the flame of intuition,
the torch of conscience.

We dedicate this service to the remembrance of this Holy Light.

Chalice Extinguishing

We extinguish our chalice
but not the sacred stillness
not the warmth of community
and not the power of peace.
For the doorway to the temple is always lit
and always open.
Always calling us out of the rush
and into the silent hush.
